

Akashinga: The Brave Ones

Meet Akashinga, the all-female anti-poaching unit in Zimbabwe that is revolutionizing the way animals are protected.

OUR BEGINNINGS

By giving local women the skills they need to support themselves and their families, they become empowered.

How Songo is Negotiating a New Narrative

In a remote region of Binga District, with little access to formal education or economies, investing in either could change the narrative for the communities around Songo. IAPF supports and is invested in both.
